This is a high-contrast, black and white image of a book cover, oriented vertically. The image shows the spine and front cover of a book. The cover material is heavily textured and appears to be made of a dark material, possibly leather or cloth, with a lighter, possibly worn, area near the spine. The image is oriented vertically, with the spine on the left and the front cover on the right. The overall appearance is that of an old, worn book.

(RIGHT OUTSIDE)
